2. I warrant that The Foundry Publishing is the copyright holder of the material included in the Work, and that it contains no matter unlawful in content and does not violate the rights of any third party, that the rights granted hereunder are free and clear, and as the owner The Foundry Publishing has full power to grant them.

3. The Foundry Publishing, as the copyright holder of this Work, has the right to use this work in any way we choose.

4. The Foundry Publishing understands the WHDL is an open access repository and a historical preservation effort. Once items are placed into the WHDL, they will exist there in perpetuity giving world-wide access to the Work.

5. The Foundry Publishing understands this release of content is a donation and there will be no financial remuneration for this contribution to WHDL.

The Foundry Publishing hereby gives permission for the above-named Work to be used in the manner as outlined above, and shall carry the copyright statement as follows:

*You have permission to view this content and print a copy for personal use only.
Permission to print multiple quantities of this resource is expressly forbidden. Contact
The Foundry Publishing for any translation or publishing use, which includes digital use in
any and all media.*
