Conference Is Success

Those attending the fifth educational conference held on the campus of Northwest Nazarene College, Nampa, Idaho, October 5-7, report that the conference was successful in every way. Going by Yellowstone National Park, Dr. Mackey, Dr. Adams, Rev. C. E. Keys and Rev. and Mrs. Neil Richardson viewed beautiful scenery.

The highlight of the conference came on Thursday when the group went to the outstanding Payette Lakes in McCall, Idaho. Here they spent Thursday afternoon and night. In the evening a "Western Dinner" was served. While the guests wore bandanas and listened to accordion music, they enjoyed real western beef cooked outside over charcoal. General Superintendent Hardy C. Powers was the special speaker for the occasion. Before returning, a service of devotion and meditation by Dean Bertha Monroe of E.N.C. climaxed the day.

Bill Ring's Father Dies

We wish to express sincere and deep sympathy to our fellow student—Bill Ring in the loss of his father. May God grant him added courage and strength at this time.

Let's Co-operate

Co-operation is defined in the dictionary as a collective action for common benefit. Co-operation is one of the keynotes for the success of any school year. Consequently, this school year of 1955-56 depends a great deal on the co-operation of each individual.

Let's all co-operate this year in every phase of school life. When your class president asks for your help in a program or project, be interested and willing to do all that you can. Let your student council know that you want to take an active part in the social life of the school. Realize that by co-operating with your club president and other leaders you not only benefit yourself but you are working for the betterment of Trevecca. Co-operate with your teachers in every possible way. Work willingly with your pastor and other church leaders. The Christian Workers Association is eager to have help; so let's be eager to co-operate with it.

A successful year for Trevecca depends upon the collective action of all students working for a common purpose—that of bettering our school and, in turn, bettering ourselves.

A Wise Student never needs to be reminded.

To be brief—politely
To be aggressive—tactfully
To be emphatic—pleasantly
To be positive—diplomatically
To be right—graciously

As the Wind Blows

I have noticed that many trees, especially those in mountain passes, are one-sided. It seems that the constant blowing of the wind in the same direction causes the boughs of the tree to yield to its force. Consistency wields a mighty force in determining our destiny by shaping and molding our character. Habit is a controlling factor in the direction of our eternal destiny. Let your habits be your friends and not your enemies.

There Are No Short-Cuts to God and Peace

In this streamlined age in which we live, the emphasis is on speed. It seems not to matter much where we are going or why, the issue is, how quickly can we get there. Every road has been shortened, and every device has been acquired to speed up the operation. The emphasis is not on how well we can do a thing, but how fast. Many true values have been overlooked and lost from sight because we are traveling on this short-cut road at such high speed.

With short cuts on every hand it has become extremely easy to bypass the fundamentals of the Christian Religion so we can hurry on to the superstructure.

Short-cuts may not always be bad, but to think there is a short cut to God is disastrous. Christian superstructure cannot stand without a good foundation. There is no short-cut to God and peace.

Much of the foundation may not be seen by men, but when that foundation supports a beautiful building that stands through the storms and reversals of life and remains beautiful, then we are assured there are no short-cuts to God.

Residence Counselor System

Last year, an Honorary Student Counselor System was inaugurated as a part of our counseling system at Trevecca. Student counselors have again been selected and approved by faculty committee on the ratio of one per twenty-five students in each Residence Hall. This not only makes more counseling opportunities available, but also provides designated counselors in your own dormitory, especially for problems you might prefer to talk over with a fellow student. Still Green

Boss: "You are 20 minutes late again. Don't you know what time we start work at this factory?"

New Employee: "No, sir, they're always at it when I get here."

1955-56 list is as follows: Tidwell Hall—Cecil Vaughn, James Ralph, Ralph Lee, Lee Eby, Mickey Smith; Hardy Hall—Mozelle Partridge, Doris Scott; McKay Hall—Violet Coulter, Jeannette Griffin, Sarah Jones. This group of ten also serves as an advisory council to the Dean of Students, to keep him informed as to student life needs and interests and to give him their point of view on plans for the future. This group is known as the Residence Halls Council.

Loan Rules Revised

To receive consideration on application for a loan, the application must reach the Business Manager ten days before the beginning of the quarter for which the loan is requested.

The application should include a statement of need for assistance, credit references, the name of the person who will co-sign the note, and the amount requested.

The applicant will be notified approximately five days before the beginning of the quarter concerning the granting of the loan.

Payment of loan funds are to be made in the bookkeeper's office. Quarterly grades will not be recorded until the final payment is made. (If the loan is not paid at maturity a penalty of 2% of the unpaid balance will be added and the loan will draw interest at 6% per annum.)

Any exception to this policy must be approved by the administrative committee of the faculty.

Point Scored

Waiters, of course, are not in a position to snap back at ill-bred guests: but one English head waiter once made the perfect retort to an uncouth customer: "My position, sir, does not allow me to argue with you; but if it ever came to a choice of weapons, I would choose grammar."

No success rule will work, unless you do.

Social Ledger Leaves

The leaves have really been swirling this week. I noticed one odd thing though, usually fall leaves are brown, red, or gold, but today I have seen pink, green, purple and blue ones. Oh, now I see. Those aren't leaves, they're Freshmen and this is Scramble Day. Those Frosh are really talented in scrambling their colors and I know we must all admit Fred Danzey and Irene Godby surely take top honors.

Monday morning as I wandered over the campus I noticed Robert Womack being helped by fellow students to the T-Room. He was feeling the effects of the Freshman-Sophomore traditional 4:00 a.m. hike and was just too sleepy to navigate under his own power.

As I wandered down the private drive I saw a big crowd at the Oasis. Drawing near I heard gales of laughter as Linda Hampton and Joyce Wood produced the lifesavers for a toothpick relay only to discover they had bought the life savers without holes!

The Friday night program was the social high light of the week. I followed La Jeune Irwin and Earl Sproles; Donnie and Dolly Smith to the program and was very pleased to see such a good group taking advantage of their "date" night and the Fine Arts programs.

As I neared the high school building I heard Harry Toney's melodious voice singing "Get Wild-Root Cream Oil, Charlie"! I discovered Prof. Duckett was asking the English class to write commercials and Harry was obliging with a singing one.

The leaves are falling so fast I'm afraid they'll have the rake after me; so I'd better dash—. Watch the "leaves falling" till next time.

No Regrets

"I'm sorry—I quite forgot your party the other evening."
"Oh, weren't you there?"

Reproduction

With God's blessing, life goes forth to reproduce its kind;
Men do not gather grapes of thorns,
Nor figs on thistles find.
The blooming of the flower of heaven
Shall never cease to be;
For it is rooted in God's love,
And shall live eternally.
F. W. Parsons

If Jesus Came To Your House

If Jesus came to your house to spend a day or two—
If He came unexpectedly, I wonder what you'd do?
Oh, I know you'd give your nicest room to such an honored Guest,
And all the food you'd serve to Him would be the very best,
And you would keep assuring Him you're glad to have Him there—
That serving Him in your home is joy beyond compare.
But—when you saw Him coming would you meet Him at the door
With arms outstretched in welcome to your heavenly Visitor?
Or would you have to change your clothes before you let Him in,
Or hide some magazines and put the Bible where they'd been?
Would you turn off the radio and hope He hadn't heard,
And wish you hadn't uttered that last, loud, hasty word?
Would you hide your worldly music and put some hymn books out?
Could you let Jesus walk right in, or would you rush about?
And I wonder—if the Saviour spent a day or two with you,
Would you go right on doing the things you always do?
Would you go right on saying the things you always say?
Would life for you continue as it does from day to day?
Would your family conversation keep up its usual pace,
And would find it hard each meal to say a table grace?
Would you sing the songs you always sing and read the books
you read,
And let Him know the things on which your mind and spirit feed:
Would you take Jesus with you everywhere you've planned to go.
Or would you, maybe, change your plans for just a day or so?
Would you be glad to have Him meet your very closest friends,
Or would you hope they'd stay away until His visit ends?
Would you be glad to have Him stay forever on and on,
Or would you sigh with great relief when He at last was gone?
It might be interesting to know the things that you would do,
If Jesus came in person to spend some time with you.

It Never Fails . . .

Girls, when you:

Just get the last pin curl in place and pat cold cream on your face, he rings your buzzer.

Are excited because you're wanted in the lobby, the librarian tells you "Huckleberry Finn" is overdue.

Have only a nickel for a coke, the machine is empty.

Vow you're going on a diet, your roommate gets a box of brownies from home.

Start out to the incinerator with a basketful of loose papers, a gust of wind comes up.

Or fellows, when you:

Feel elated because you got an extra dessert, you find out it's from your roommate.

Decide to have ten fellows in for fried egg sandwiches at 2:00 a.m., the Dean stops by for a chat.

Wait for five minutes outside a classroom for the Prof. to come, the door is already unlocked.

Get a crush on someone, you learn she has a "steady" back home.

Eighty Children?

Professor Howick and his psychology class is something like the proverbial lady in the shoe who had so many children she did not know what to do. While calling the roll he unintentionally shortened the roll by calling Minnie Stubbs instead of Minnie Stearns and Woodrow Stubbs. His excuse was accepted, and anyone with eighty children can sympathize.

It Made a Difference

Floridian Is Capable S. C. Secretary

In mentioning the name, Lee Eby, one immediately thinks of a quiet, reserved young gentleman of the Sophomore class. Lee has certainly been an outstanding student since he has come to Trevecca and his record goes way back before then.

Lee has captured one of the top major offices this year—that of Student Council Secretary. His experience for this job dates back to high school days in Miami, Florida, his home, when he was Student Council representative and chaplain of the Student Council Cabinet. Lee has received experience in college as Freshman representative to the Student Council in 1954-55.

A brilliant mind is also one of Lee's assets. This was shown in high school as he was vice-president of the Spanish National Honor Society; a member of the National Honor Society; a member of the National Forensic League; and Valedictorian of his graduation class. Since he has been here at T.N.C., he has been a member of the College Honor Society.

Sophs Defeat Upperclass 26-0

The Sophomores outclassed the Upperclassmen Thursday, October 13, 26-0.

Ed Whittington intercepted a pass and raced 55 yards early in the game to begin the scoring. Moody Gunter kicked the extra point. Whittington got in the act again when he scored on a 20 yard pass from Gunter. The same combination was good for the extra point.

Gunter tallied again in the second quarter and then passed to Walton Brown for a touchdown in the third.

The Upperclassmen, hampered by illness, nevertheless led in first downs, 13-10, and completed 16 of 35 passes. They intercepted three. The Sophs connected on 17 of 33 passes and intercepted five.

Officials were Bruce Kelly, Larry Smith, and Lewis Hall.

Upperclassmen — Dan Godby, Bob Bledsoe, Larry Finger, E. C. Rose, Dwight Presson, Cary Neal Duckett, Gene Shelton, Tom Cox, and Bill Crane.

Sophomores — Ed Whittington, Moody Gunter, Robert Hedgepath, Walton Brown, Don Pyles, Rusty Hartsell, and Harry Hemmerly.

Sophomore Girls Win in Volley Ball

The Sophomore Girls' volley ball team beat the Freshman Girls 21-14, and 21-1 in a lop-sided series Tuesday, October 11.

Team members are Nina Griggs, Justine Rushing, Jeanette Griffin, Carol Bryant, and Bonnie Williams, Sophomores; Irene Godby, Martha Sloan, Jo-Lynn Armstrong, Kathy Eannottie, Avalene Morris, Helen Turner, and Eleanor Goode, Freshmen.

Captains chosen for the teams are Emily Hamilton, Upperclassmen; Shirley Biggs, Sophomores; Irene Godby, Freshmen, and Linda Hampton, High School.

L. Finger Sets Record

Like a water-filled balloon thrown against a brick wall, the Upperclassmen splashed to an easy win of 82-6 over the High School football team.

Completely eluding the defensive High School team, Larry Finger scored 7 touchdowns which sets a new record this year. He was backed by a very strong Upperclassmen line.

Others scoring were: Dan Godby (2), E. C. Rose (2), Dwight Presson (1), and Bob Bledsoe (1).

Out of 13 attempts to score extra points the Upperclassmen were able to gain only 4.

The lone score of the High School came near the end of the game when Forrest Spruill passed to Phillip Rogers for the T.D. The attempted extra point failed.

HALLOWEEN

The witches ride their long broomsticks,
The goblins dance about;
And all black cats and varmints too—
From their hide-outs are turned out!

A pumpkin with its shiny face
Lights up the dark outside;
And ghosts are loose and running 'round—
Our eyes pop open wide!

A skeleton here, a ghostie there;
A pumpkin and a cat,
All spooky things are loose this night
How soon could we forget?

Kelly Paces H. S. Win over Freshmen

High School's fired-up football team upset the Freshmen Tuesday, 19-7. They won the game by their air attack, completing 23 of 30 passes.

Jim Spruill scored the opening T.D. on a 20-yard pass from Bruce Kelly. Kelly passed to Sonny Pope for the extra point, and two quarters later Kelly scored from seven yards out on an end run. High School tallied again in the top of the fourth quarter when Lewis Hall caught a pass from Spruill in the end zone.

The Freshmen's only T.D. came in the closing minutes when quarterback Wayne Goodwin hit "Squirrel" Smith on the one yard line. Smith scored the extra point.

First downs favored the Freshmen 10-9, and they completed 11 of 29 passes. Each team intercepted two passes, and were penalized 30 yards.

Officials were Dan Godby, E. C. Rose, and Harry Evans.
