Corlett and Harper To Be Commencement Speakers

MISS PERSON TO ATTEND HOLINESS CONVENTION

Recording Secretary of the National Association for the Promotion of Holiness, will leave April 8 for the 78th Annual Convention Association at Cleveland Bible College, Ohio. This is the 15th year that Miss Person has attended.

The Association was organized in 1867 and has met annually every year since except last year when it was prevented on account of war restrictions. It often meets at Holiness schools and Interdenominational Holiness Colleges. The theme of the convention is "Now unto the King eternal, immortal, invisible, the only wise God, be honor and glory forever and ever. Amen"-1 Tim. 1:17.

The convention will be in session from Tuesday morning, April 9, through Friday evening, April 12. Miss Person will return Saturday April 13. While she is away her classes will meet as usual.

MINISTERIAL ASSOCIATION ADOPTS CONSTITUTION

At the meeting of The Ministerial Association of Trevecca College last Friday evening at Shacklett's Cafeteria, the group adopted the constitution presented by the president, D. H. Spencer.

This organization is not only working for today but is also working to make T.N.C. a more spiritual school in the future.

The constitution will help the association to contribute to our college in years to come. Each year this group is to sponsor one revival and each quarter it is to sponsor a series of lectures, in cooperation with the administration of the school.

A FAMOUS QUOTATION **BECOMES A REALITY***

"Paper, paper, evreywhere and all the campus is green-paper, paper everywhere which means that much of our campus cannot even be seen." Are you one of the many who are helping to make our campus unattractive? If you are, try thoughtfulness, guaranteed to cure your carelessness or twice your money.

It would be very easy to keep a beautiful campus if each of us would hold to that waste paper until we get to a trash can.

Not only is our campus covered with unnecessary paper but the buildings are as well. Let each of us think how unecessary, how uncivilized, it is to throw our candy wrappers, sandwich bags, etc., on the campus and in the halls of the buildings.

STOP! Do not throw your dirty old paper down (I am not speaking about Trev-Echoes either); put it in the trash basket.

Remember, cleanliness is next to rodliness.-Editor.

JONES TWINS ACCOMPANY RICHARDSON ON W. VA. TOUR

The Jones twins, Martha and Margaret, left at 6:00 Tuesday morning. Yes, it is a tour of the West Virginia district-their home state. These tours are being conducted in the interest of the new boys' dormitory ._ The first place Rev. Neil Richardson and the girls will visit is Monudsville, W. Virginia, for the preachers' convention. They will also sing and speak at Davis Creek, the largest rural Sunday school in the world. Charleston churches are also on their schedule along with many others. This particular tour is to last two weeks.

FROM THE TOWER

"Breezes blowing round my brow all unheeded-" but, wait, they remind me of something. Ah, yes, swooners. Can you imagine Trevecca College having a Frank Sinatra? I don't care if you can't imagine itwe've got one anyway. The other morning I heard some tolerably tall singing going on; so Nosey Jane investigated. There in the studio before the microphone was standing Frankie with that soft melodious, swooniecroonie voice rapturously singing to one of his fans. And believe you me she was swooning all over the place. "Is that true?" you say. Sure. Well dorms at West Virginia University maybe it was a bit exaggerated. May- has written a book and is now lookbe it was just Howard Wall in Mrs. Johnson's classroom before a yardstick singing to Elain Battles.

And, oh, yes, speaking of Mrs. Johnson's classroom, guess what Mrs. Johnson said the other day? She told a boy that she was sorry he could walk. Sure she did. He had broken his ankle, and when she asked him if he could walk any, he told her that he could just a little. Then Mrs. Johnson said, "Oh, I'm sorry." Isn't that a pity, her telling him all that, and he being a new student and all that.

And the other morning the Rev. Robert Gray by mistake (?) wore his pajama pants to breakfast ._ Cr at least that's what he said they were. I don't believe he would prevaricate about the matter, do you?

I'm just wondering-what is Trevecca coming to next?-Genevieve Mc-Mackin.

All members attend these practices.

The mascot donkey of Denver university was taken to a recent game to watch the victory. Clem, who was escorted by the memgers of the class of '49 to his place of honor in the grandstand was so pleased with the game that he refused to leave the stadium even when it grew dark. Finally, six men had to pick him up and place him in a truck for his trip home.

One of the waiters of the women's ing for a publisher. The book hasn't been named, but may be called "Vital Statistics."

It is dedicated to all the wolves on the campus. The aspiring young author tells about all the girls on the campus; informative material such as height, weight, measurements, color of eyes and hair, which might be considered in choosing a date.

It seems that the author has agents all over the campus who have supplied this vital information.

FUNERAL ATTENDED BY A LARGE NUMBER OF FRIENDS

The funeral of Dr. R. T. Williams, senior general superintendent, was conducted in the First Church of the Nazarene, Kansas City, Missouri, on Friday, March 29, 1946, at 2:00 p.m. The order of the service was as follows:

DR ROY T WILLIAMS

(continued from page 3)

The floral offerings were many and beautiful. The atmosphere was, as one expressed it, "Not that of a funeral but more like that of a revival when the presence of the Lord just hovers over a congregation,"

Dr. Chapman spoke briefly of his personal friendship with Dr. Williams, their years of service together as general superintendents but more at length on his contribution to our church and personal devotion to his work.

Dr. Williamson spoke from the text, John 5:30-"I seek not mine own will but the will of the Father which hath sent me." This scripture had been a favorite of Dr. Williams. In his comments Dr. Williamson stated that had Dr. Williams chosen to enter any other professional field, such as law, statescraft, or medicine, he would have risen to the top ranks because he would have given to it the same perseverance, keen insight, sound judgment and untiring effort that he gave to his ministry and to our church. But, because he gave himself unreservedly to God and the church, two hundred thousand of our own organization "will rise up to call him blessed" and as will many more outside the Church of the Nazarene.

The burial service was held at the Nazarene section of Green Lawn Cemetery.

Those of us who had the privilege of being present at the funeral came away with the realization that the only important thing in life is to seek the will of the Father and live as He would have us.

Trevecca College, its faculty, students and constituency extend to Mrs. Williams and the family our deep sympathy in this hour of sorrow.

RAMBLERS CLUB ENTERTAINED AT HOME OF PROF. HAMMOND

The Ramblers Club really had an April 1 party. Mrs. Hammond entertained. At first we wondered if we were going to eat-the peas were served in a large pitcher, and mashed potatoes were served with a nutcracker for a spoon. Jelly was in a NASHVILLE 4, TENNESSEE of this man of God.

teapot with a large butcher knife. During the several courses speeches were given. Each speaker was announced with a very dignified sophisticated title but the speech ended in a joke.

Felix Vela told about the colored woman and her crying baby and some laughed so hard they cried. We had to eat meat with our fingers and pie was served on waxed paper. Well, it was just a lot of fun. If you don't believe it, just ask Janice Engle or Ada Middleton-or just any Rambler.

SPORTS

By Ray Dunning

As everyone knows, I suppose, there was no game last week. The ball field was beginning to look like a swimming pool or lake. If it had kept raining I guess the high school would have challenged the college to a swimming match. Sure would feel good this kind of weather.

I wonder where the school spirit is this year. College girls, why don't you come out and give the college team a little inspiration? At the last two games I don't think there was a college girl out yelling for her team, and I think you have a fairly good team. Shame on you for letting the high school girls get ahead of you. The high school really gets a good response when they make a hit, run, and even an out; but what does the college get? Not even a yell, unless it is a boo! from the high school girls. We are going to need it._ I hear the high school is out to skin us, so don't let us down. Everyone is welcome. This means you, and yes, you too.

MUSICAL PROGRAM GIVEN BY SCHOOL FOR THE BLIND

If you were present at the program Friday evening you were surely thrilled, for it would have been impossible to listen to such a fine program without getting a thrill.

The first number was a chorus consisting of about 35 young people singing "L'Argo"_ and the truly southern "Kentucky Babe." The entire program consisted of choruses, boys' chorus, piano solos, vocal solos' trumpet solos and uet, and brass quartet.

The numbers were rendered with such ease and ability that it seemed as if the audience held its breath to listen. This seemed to be without exception a perfect performance.

After the program students gathered on the platform asking for more. The director sang beautifully "The Last Rose of Summer."

We appreciate this program and we hope that these students will soon come back with their music.

SPEECH GUILD CLUB MAKES PROGRESS

Under the leadership of Miss Leila Dell Miller, who was chosen leader for this month, the speech club is going forward with enthusiasm. At the first regular meeting voices were tested for tone; later in a two-minute speech voices were tested for minor expression and tone. The club is very interesting and instructional, and if you still wish to join see Miss Miller or Miss Peery.

REDFORD IMPROVING SLOWLY

Professor M. E. Redford, who has been sick for the past three weeks, is improving slowly. The doctor has advised Rev. Redford to have an operation but our dean of religion feels that after a rest he will be able to continue his work. He hopes that the rest will postpone the operation until June anyway. He probably will not teach until after April 15. Pray that the Great Physician will heal the body
